

2025 KCDS Continuing Education Season Passes: Save on Your CE Courses!

Season passes are now available for KCDS member dentists who wish to attend continuing education courses from January 2025 through October 2025. The KCDS CE Committee has curated an exciting schedule of speakers and topics for the year, and we're offering two convenient options to help you save on your CE costs!

Option 1: Full Calendar Pass

Purchase all 6 full-day courses scheduled for 2025 and save \$500!

- **6 courses** (1 per month)
- **6 CE units** per course
- Regular price: \$250 per course (\$1,500 total)

Season Pass Price: \$1,000 - you save \$500! **Note:** January and July feature duplicate courses. Both season pass options allow you to choose one date for these courses.

Option 2: Three-Course Pass

Pay upfront for your choice of any 3 full-day seminars from the 2025 schedule:

- **Choose any 3 courses**
- **\$600** for 3 courses (a savings of \$150!)

No need to choose courses in advance - just notify the KCDS office when you're ready to register, and we'll record your attendance.

Additional Benefits:

Flexibility: If you're unable to attend a course, you may send a non-dentist staff member as a substitute.

Deadline: The deadline to purchase your season pass is **January 24, 2025**, which is the date of the first course.

Take advantage of these great savings and secure your spot for a year of top-tier continuing education!
